Description :

PDF-a1812 | This is a must-read for all chiropractors, no matter what age you are or what stage you are at in your career. The book covers many areas of practice. One of the most interesting for me was managing a staff, which the book says is impossible. However, the authors do tell you how to manage the process, which is possible. This book will take a real burden off the doctor and let him or her do what he... *The E-Myth Chiropractor*
