by Dr Eliot Sorel : **21st Century Global Mental Health**

ISBN : #1449627870 | Date : 2012-08-28

Description :

PDF-de720 | Nearly five hundred million people worldwide suffer from neuropsychiatric disorders, representing, in aggregate, 14% of the global burden of disease in low, middle and high income countries. Although there have been notable scientific advances in the global mental health domain, challenges still remain in knowledge transmission and application, as well as in access to care and in eradicating shame... *21st Century Global Mental Health*
