ISBN : #0486230341 | Date : 2012-02-15

Description :

PDF-a598a | Did you know the root of the common iris found throughout the United States was reputed by the American Indians to be a remarkable cure for gastric disturbances? or that hops — aside from being used in brewing — were noted for their sedative qualities? There are hundreds of different plants growing wild throughout the United States that over the centuries have become recognized for their medic... *American Medicinal Plants: An Illustrated and Descriptive Guide to Plants Indigenous to and Naturalized in the United States Which Are Used in Medicine*
