Description :

PDF-b760d | When corporations claim the same citizenship rights as human citizens, they exercise an undue influence on health policy and democratic processes. Surprisingly, the same basic repertoire of tactics has been found to be employed by corporations to effect this influence, regardless of the specific industry at work. In this book, authors from around the world reveal the range of tactics used across t... *The Bottom Line or Public Health: Tactics Corporations Use to Influence Health and Health Policy, and What We Can Do to Counter Them*
