Description :

PDF-f98a8 | The way we treat cancer is about to change forever. This revolution--and it is precisely that--was sparked not by the invention of a new drug, but by the evolution of an entirely new way of thinking about and managing cancer. Going forward, doctors will not use pharmaceuticals to attack tumors--not directly. Rather, the oncologist will treat the patient's immune system with a drug, and then the pa... *A Cure Within: Scientists Unleashing The Immune System to Kill Cancer*
