Description :

PDF-8927e | This textbook, now in its third edition, is ideal for graduate dysphagia courses in speech-language pathology programs. The unique value of this book is the multidisciplinary approach it presents. Too often, speech-language pathologists function clinically with insufficient interaction with, or understanding of, the roles of other professionals involved with their patients. This text incorporates ... *Dysphagia Assessment and Treatment Planning: A Team Approach, Third Edition*
