Description :

PDF-696c2 | Chile pepper is used today as a flavoring, but Aztecs also applied it for toothache, sore throat, and asthma. The tonic properties of coffee have been recorded in Islamic pharmacopoeia since the eleventh century, and many peoples have used it to protect against Parkinson's disease. Although much has been documented regarding the nutritional values of foods, until recently little attention has be... *Edible Medicines: An Ethnopharmacology of Food*
