Epidemiology: An Introduction PDF

by Kenneth J. Rothman : **Epidemiology: An Introduction**

ISBN : #0199754551 | Date : 2012-06-04

Description :

PDF-8896c | Across the last forty years, epidemiology has developed into a vibrant scientific discipline that brings together the social and biological sciences, incorporating everything from statistics to the philosophy of science in its aim to study and track the distribution and determinants of health events. A now-classic text, the second edition of this essential introduction to epidemiology presents the... *Epidemiology: An Introduction*
