Description :

PDF-36784 | Successful fire service leaders know that a fire department that isn't moving forward is dying or, at least, in danger of dying. In this second edition, author Mark Wallace succinctly points out that if you don't know where you're going, any road will take you there. Fire departments that know where they are going, know the environment in which they must operate, and have identified how to get the... *Fire Department Strategic Planning: Creating Future Excellence*
