: **Global Health and Global Health Ethics**

ISBN : # | Date : 2011-01-01

Description :

PDF-ccff7 | What can be done about the poor state of global health? How are global health challenges intimately linked to the global political economy and to issues of social justice? What are our responsibilities and how can we improve global health? Global Health and Global Health Ethics addresses these questions from the perspective of a range of disciplines, including medicine, philosophy and the social s... *Global Health and Global Health Ethics*
