Description :

PDF-47d9b | This book provides a new vision, based on sound science and ethics of compassion, which connects the healing of animals with Earth care and the human rights and health care revolution whose time has come. The well-being of animals, wild and domesticated, and the health of the natural environment are found to be inseparable from the health and well-being, and the ultimate fate of our own kith and k... *Healing Animals & The Vision of One Health: Earth Care & Human Care*
