Description :

PDF-c8df5 | Health reform, often called Obamacare, may or may not survive legal challenges and the aftermath of the 2012 election. The new law and the alternatives put forth by its opponents are unlikely to alter U.S. health care's most pressing problems: physician shortages; uncontrollable cost increases; widespread and poorly controlled chronic disease, and widespread medical treatment that does not benefit... *Health Care in 2020: Where Uncertain Reform, Bad Habits, Too Few Doctors and Skyrocketing Costs Are Taking Us*
