ISBN : #1567936091 | Date : 2013-11-15

Description :

PDF-4ef40 | Rather than focus on the day-to-day operations of insurers, Health Insurance looks in from the outside and explains the role that private health insurance plays in the United States. Noted health economist Michael Morrissey presents a rigorous but intuitive examination of the issues raised by insurance and how the market and the government have dealt with these issues. His emphasis is on understand... *Health Insurance, Second Edition*
