by David L. Streiner : **Health Measurement Scales: A practical guide to their development and use**

ISBN : #0199685215 | Date : 2015-01-02

Description :

PDF-5f550 | Clinicians and those in health sciences are frequently called upon to measure subjective states such as attitudes, feelings, quality of life, educational achievement and aptitude, and learning style in their patients. This fifth edition of Health Measurement Scales enables these groups to both develop scales to measure non-tangible health outcomes, and better evaluate and differentiate between exi... *Health Measurement Scales: A practical guide to their development and use*
