by Sandro Galea : **Healthier: Fifty Thoughts on the Foundations of Population Health**

ISBN : #0190662417 | Date : 2017-07-20

Description :

PDF-4b60f | Fifty essays on the state of population health from a vanguard voice in the fieldPublic health can rightly claim its share of victories: healthier cities, widespread sanitation, broader availability of nutrient-rich food, and reductions in violence and injury. But for all these gains, today we face a new set of challenges, ones complicated by political and professional shifts that threaten to fund... *Healthier: Fifty Thoughts on the Foundations of Population Health*
