Description :

PDF-4c81e | Want to optimize your brain function? This book teaches you about specific brain-supporting nutrients, how these nutrients affect us, and what we can eat to support our brain function. The author is a survivor of a severe traumatic brain injury that left him comatose with less than a 10% chance of regaining consciousness beyond a vegetative state. In this book, he shares real-life stories of how h... *How to Feed a Brain: Nutrition for Optimal Brain Function and Repair*
