Description :

PDF-864fc | A definitive history of the successful battle to halt the AIDS epidemic, here is the incredible story of the grassroots activists whose work turned HIV from a mostly fatal infection to a manageable disease. Almost universally ignored, these men and women learned to become their own researchers, lobbyists, and drug smugglers, established their own newspapers and research journals, and went on to fo... *How to Survive a Plague: The Story of How Activists and Scientists Tamed AIDS*
