Description :

PDF-219a4 | The first edition of Living Downstream—an exquisite blend of precise science and engaging narrative—set a new standard for scientific writing. Poet, biologist, and cancer survivor, Steingraber uses all three kinds of experience to investigate the links between cancer and environmental toxins. The updated science in this exciting new edition strengthens the case for banning poisons now pervasive... *Living Downstream: An Ecologist's Personal Investigation of Cancer and the Environment*
