Description :

PDF-6d373 | Out of 238 million American adults, 100 million live with chronic pain. And yet the press has paid more attention to the abuses of pain medications than the astoundingly widespread condition they are intended to treat. Ethically, the failure to manage pain better is tantamount to torture. When chronic pain is inadequately treated, it undermines the body and mind. Indeed, the risk of suicide for pe... *A Nation in Pain: Healing Our Biggest Health Problem*
