Description :

PDF-a7e01 | Using the examples of Vioxx, Celebrex, cholesterol-lowering statin drugs, and anti-depressants, Overdosed America shows that at the heart of the current crisis in American medicine lies the commercialization of medical knowledge itself. Drawing on his background in statistics, epidemiology, and health policy, John Abramson, M.D., reveals the ways in which the drug companies have misrepresented stat... *Overdosed America: The Broken Promise of American Medicine*
