Description :

PDF-dc647 | In this history of American political culture, Keith Wailoo examines how pain has defined the line between liberals and conservatives from just after World War II to the present. From disabling pain to end-of-life pain to fetal pain, the battle over whose pain is real and who deserves relief has created stark ideological divisions at the bedside, in politics, and in the courts. Beginning with the r... *Pain: A Political History*
