Description :

PDF-0b362 | The most common medical problem in America today, chronic pain is more prevalent than cancer, heart disease, and diabetes combined. Yet tens of millions of people struggle with pain because they can't find someone who understands how much pain affects their lives--and because they live in a culture where pain is dismissed. Internationally recognized pain specialist Dr. Lynn Webster validates the de... *The Painful Truth: What Chronic Pain Is Really Like and Why It Matters to Each of Us*
