Description :

PDF-b3770 | Over the past two decades, China has welcomed doctors from overseas to come and share in its opening and development. Medical service in China is not possible without knowing the Chinese language. For visiting medical experts with little knowledge of the Chinese language, this book can be used in any given clinical situation to help obtain a patient's medical history, examine, investigate and treat... *How to Take a Patient's Medical History -- A Handbook on Chinese Medical Terminology (English and Chinese Edition)*
