by Rosemary Caron : **Population Health: Principles and Applications for Management**

ISBN : #1567938612 | Date : 2017-04-14

Description :

PDF-98301 | Population health examines a diverse range of environmental, physical, and cultural conditions that occur within populations; considers the outcomes these conditions have on people's health; and seeks the development of policies and interventions to improve health and minimize health inequities in an efficient and affordable manner. A complex undertaking, it requires the effective integration of p... *Population Health: Principles and Applications for Management*
