: The Practice of International Health: A Case-Based Orientation

ISBN : #0195310276 | Date : 2008-09-30

Description :

PDF-63486 | Virtually every school of public health teaches a global health course, yet the major textbooks provide little on the actual practice of international health. This new book comprises a series of vivid first person accounts in which physicians, epidemiologists, health workers, and public health professionals from around the world present the critical dilemmas and challenges facing the field.
