by Germaine Buck Louis : **Reproductive and Perinatal Epidemiology**

ISBN : #0195387902 | Date : 2011-03-23

Description :

PDF-939bc | Population growth and global health disparities for many reproductive and perinatal outcomes are but a few of the pressing issues facing public health today. Despite growing interest in the field, formal training in reproductive and perinatal epidemiology remains limited, with few available textbooks aimed at providing an overview of the field. In response to this need, faculty from the Eunice Ken... *Reproductive and Perinatal Epidemiology*
