Description :

PDF-a3abb | America's health care system is unraveling, with millions of hard-working people unable to pay for prescription drugs and regular checkups, let alone hospital visits. Jonathan Cohn traveled across the United States—the only country in the developed world that does not guarantee its citizens access to medical care—to investigate why this crisis is happening and to see firsthand its impact on or... *Sick: The Untold Story of America's Health Care Crisis--and the People Who Pay the Price*
