by Thomas W. Valente : **Social Networks and Health: Models, Methods, and Applications**

ISBN : #0195301013 | Date : 2010-03-25

Description :

PDF-0f37a | Relationships and the pattern of relationships have a large and varied influence on both individual and group action. The fundamental distinction of social network analysis research is that relationships are of paramount importance in explaining behavior. Because of this, social network analysis offers many exciting tools and techniques for research and practice in a wide variety of medical and pu... *Social Networks and Health: Models, Methods, and Applications*
