: **Targeted Regulatory Writing Techniques: Clinical Documents for Drugs and Biologics**

ISBN : #3764383615 | Date : 2008-12-05

Description :

PDF-4ff68 | This book describes the authors' standard or 'best' practices used in writing regulated clinical documents for the drug and biologics industry. The fundamental premise of this book is that the end (documents submitted to a health authority) is dependent on the beginning (the planning and strategy that go into organizing written documentation). Each regulatory document inherently exists withi... *Targeted Regulatory Writing Techniques: Clinical Documents for Drugs and Biologics*
