ISBN : #1421417952 | Date : 2015-09-28

Description :

PDF-2d76b | A traumatic brain injury is a life-changing event, affecting an individual's lifestyle, ability to work, relationships?even personality. Whatever caused it?car crash, work accident, sports injury, domestic violence, combat?a severe blow to the head results in acute and, often, lasting symptoms. People with brain injury benefit from understanding, patience, and assistance in recovering thei... *The Traumatized Brain: A Family Guide to Understanding Mood, Memory, and Behavior after Brain Injury (A Johns Hopkins Press Health Book)*
