Description :

PDF-7a71e | How partisanship, polarization, and medical authority stand in the way of evidence-based medicineThe U.S. medical system is touted as the most advanced in the world, yet many common treatments are not based on sound science. Treatments can go into widespread use before they are rigorously evaluated, and every year patients are harmed because they receive too many procedures?and too few treatment... *Unhealthy Politics: The Battle over Evidence-Based Medicine*
