Description :

PDF-02d10 | "This book is a tour de force, and no one but John Nance could have written it. He, alone, masters in one mind the fields of aviation, health care safety, medical malpractice law, organizational sociology, media communication, and, as if that were not enough, the art of fine writing. Only he could have made sophisticated, scientifically disciplined instruction about the nature and roots of safety ... *Why Hospitals Should Fly: The Ultimate Flight Plan to Patient Safety and Quality Care*
