Description :

PDF-9a14e | Waste is something we all make every day but often pay little attention to. That's changing, and model programs around the globe show the many different ways a community can strive for, and achieve, zero-waste status. Scientist-turned-activist Paul Connett, a leading international figure in decades-long battles to fight pollution, has championed efforts to curtail overconsumption and keep indus... *The Zero Waste Solution: Untrashing the Planet One Community at a Time*
